

*2nd Annual*  
*Youth Empowerment*  
*Poetry and*  
*Performance Night*

**Sunday, April 18th**  
**6:00-8:30pm**

This year's event will focus on queer youth, especially queer youth of color. Queer (including transgender) youth tend to be extremely vulnerable in multiple ways because of systemic oppression. Poverty, racism, homophobia, transphobia and sexism all add to the many barriers already faced by youth.

We will continue with the theme of self and community empowerment, with a remarkable night of inspirational performance!
